ACRYLIC SOLID SURFACE

SHAPED ACRYLIC ELEMENTS COLLECTION

ARISTECH SURFACES LLC OFFERS AN EFFICIENT RANGE OF KITCHEN SINKS, BATHROOM BOWLS, BATHTUBS AND SHOWER TRAYS, FOR ALL TYPES OF USE, COMMERCIAL OR RESIDENTIAL, IN MULTIPLE SHAPES: OVAL, SQUARE, RECTANGULAR OR CURVED. FEATURING CLASSIC, TIMELESS MODELS FOR INSTALLATIONS IN A STYLE THAT LASTS, THE COLLECTION EMBODIES SIMPLE, CLEAN DECOR.

HIGH- PERFORMANCE PRODUCTS

Produced in 100% acrylic solid surface, AVONITE® Shaped Acrylic Elements are manufactured in Europe and compliant with the standards required by the CE label. Products have been developed whose colour remains perfectly stable over time.

IN THE KITCHEN

ALMOST INVISIBLE INTEGRATION

Mounted under the work surface or flush with it, the joint between the AVONITE® sink and the work surface is easily forgotten about, giving a monolithic, fluid and elegant finish.

LESS TIME SPENT CLEANING

The AVONITE® sink plus work surface makes a 100% hygienic combination. Assembled seamlessly with a curved design, from the plughole to the rounded backsplash, the whole set-up eliminates any inaccessible nooks or crannies, for quick and ultra-efficient cleaning.

NO COSTLY REPAIRS

The material is resistant to standard domestic products, and is non-porous – so food stains do not permeate it. Minor damage may be easily repaired by sanding or sealing a practically imperceptible patch.

IN THE BATHROOM

WITH 45 MODELS STOCKED OR AVAILABLE BY SPECIAL ORDER, THE AVONITE® RANGE OF BOWLS IN 100% ACRYLIC SOLID SURFACE IS THE MOST EXTENSIVE ON THE ENTIRE SOLID SURFACE MARKET.

SMALL BASINS FOR SMALL SPACES

In toilets, trains or narrow bathrooms, the room volume can sometimes be limited and needs suitable furnishings. Aristech Surfaces LLC offers a range of sinks in small sizes, designed to fit in any space. These sinks are available by special order. Please contact your manufacturer for more information.

HOWEVER YOU LIKE

With or without an overflow, assembled seamlessly underneath the vanity top or simply laid on top, AVONITE® bowls are resourceful and can be adapted to suit all tastes.

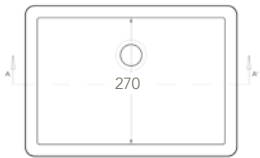

FOR ALL STYLES

A complete AVONITE® look or accents with other materials? The choice is yours. AVONITE® combines perfectly with contemporary interior design styles, or can give traditional decor a touch of modernity.

HEALTH SECTOR

THE NEED FOR AN ASEPTIC ENVIRONMENT DOES NOT MEAN HAVING TO COMPROMISE ON DESIGN.

HYGIENE FIRST

There is no material that allows for greater cleanliness. AVONITE® Shaped Acrylic Elements and sheets do not absorb bacteria, can be cleaned using common household products, are seamlessly assembled, and the material malleability makes it possible to design curved, rather than angular, corners, for more efficient cleaning.

RESISTANT

Because lab benches or medical offices are really put to the test, AVONITE® Shaped Acrylic Elements have been designed to resist a long list of chemical products, including chloric acid.

WE ARE HERE TO RESOLVE ANY ISSUES

All AVONITE® 100% acrylic solid surface sanitary fixtures come with a 5-year warranty, while 3-mm sheet coverings (widely used for furnishings with no heat source) are guaranteed by a 10-year warranty and all other coverings by a 15-year warranty.

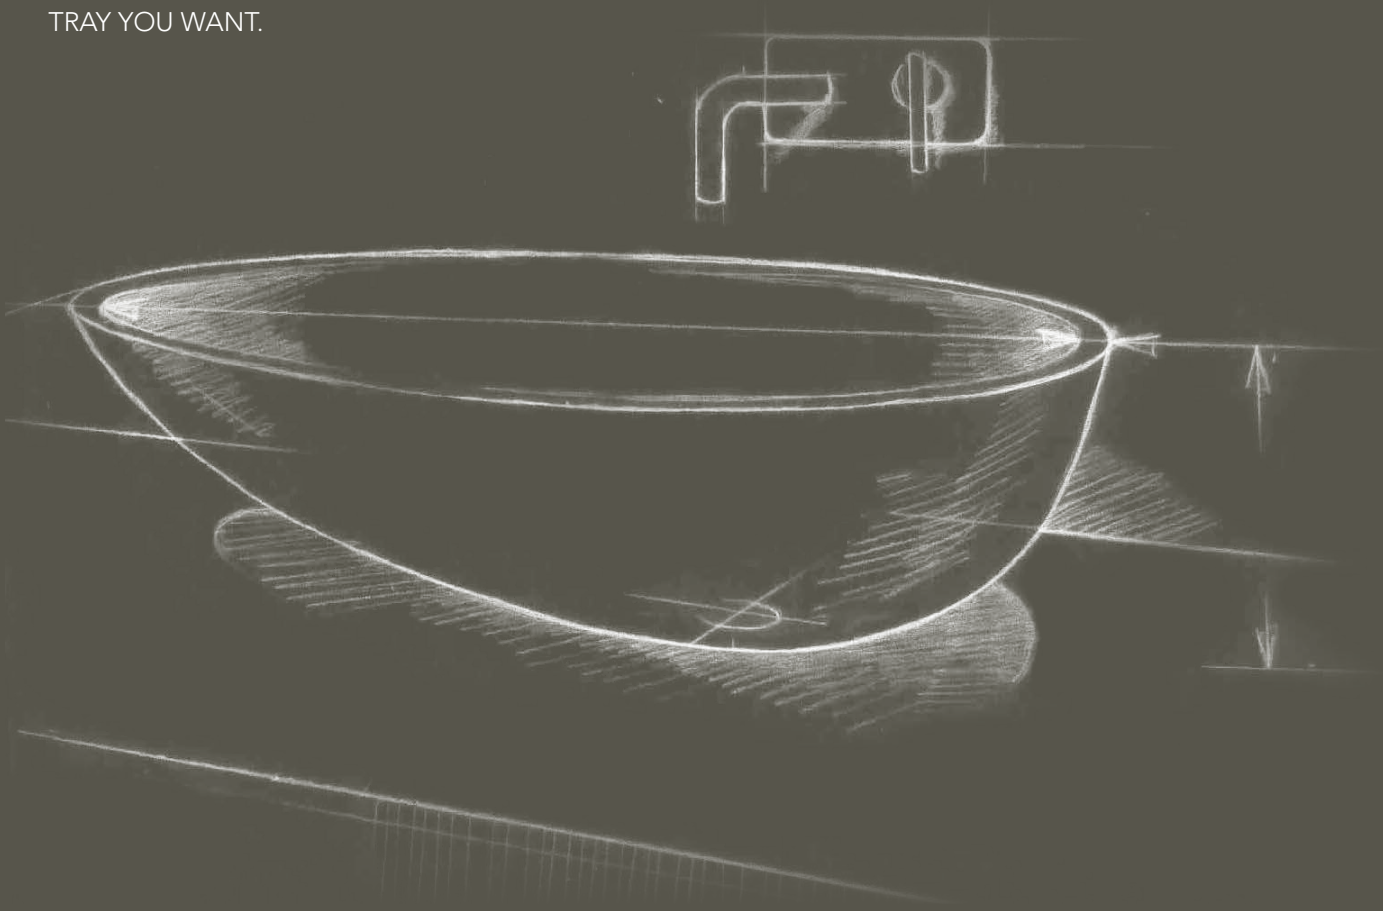

The EUSNK3 and EUSNK5 sinks are the best suited for use by people with reduced mobility. The limited depth of these basins allows for easy wheelchair access.
